**REVISION OF RENT**

**LESSEES:**

Joseph R. Goss and Janice V. Goss, as Trustees of the Goss Revocable Living Trust, u/d/t May 7, 1996

**AREA, LAND TYPE, AND LOCATION:**

Sovereign land located in Huntington Harbour, adjacent to 16691 Carousel Lane, city of Huntington Beach, Orange County.

**AUTHORIZED USE:**

Continued use and maintenance of an existing boat dock, access ramp, cantilevered deck, and bulkhead protection.

**LEASE TERM:**

10 years, beginning May 10, 2007.

**CONSIDERATION:**

This lease provides that the State may modify the rent periodically during the lease term. Pursuant to this provision, staff has conducted a review of the rent under this lease, and recommends that the rent be revised from \$720 per year to \$864 per year, effective May 10, 2012.

**OTHER PERTINENT INFORMATION**

1. On May 10, 2007, the Commission approved issuance of a General Lease – Recreational and Protective Structure Use for a 10-year term, beginning May 10, 2007, to Joseph R. Goss and Janice V. Goss, as Trustees of the Goss Revocable Living Trust, u/d/t May 7, 1996, for the continued use and maintenance of an existing boat dock, access ramp, cantilevered deck, and bulkhead protections. The current lessees are natural persons who own the upland property adjacent to the lease premises.
2. On October 8, 2011, Chapter 585, Statutes of 2011 became law. The law is effective January 1, 2012. This new law repeals section 6503.5 of the Public Resources Code, which has allowed rent-free use of State-owned

CALENDAR ITEM NO. **C84** (CONT'D)

land by certain private parties for their recreational piers. It replaced the former section with a new section 6503.5 which provides that the State Lands Commission “shall charge rent for a private recreational pier constructed on state lands.” The law provides for two exceptions to the imposition of rent. Those exceptions are for:

- A. A lease in effect on July 1, 2011 through the remaining term of that lease. If a lease in effect on July 1, 2011 expires or is otherwise terminated, any new lease will be subject to rent; and
- B. A lease for which the lease application and application fees were submitted to the Commission prior to March 31, 2011.

This lease meets the statutory requirements for an exception to the recently-enacted changes to section 6503.5 of the Public Resources Code for the remaining term of the lease because the lease was in effect on July 1, 2011. Therefore, the only facility subject to rent consideration is the cantilevered deck.

- 3. The staff recommends that the Commission find that the subject revision of rent does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

**RECOMMENDED ACTION:**

It is recommended that the Commission:

**CEQA FINDING:**

Find that the subject revision of rent is not subject to the requirements of CEQA pursuant to California Code of Regulations, Title 14, section 15060, subdivision (c)(3), because the subject activity is not a project as defined by Public Resources Code section 21065 and California Code of Regulations, Title 14, section 15378.
