CALENDAR ITEM NO. **C27** (CONT'D)

3. On October 8, 2011, Chapter 585, Statutes of 2011 became law. The law is effective January 1, 2012. This new law repeals section 6503.5 of the Public Resources Code, which had allowed rent-free use of State-owned land by certain private parties for their recreational piers. It replaced the former section with a new section 6503.5 which provides that the State Lands Commission "shall charge rent for a private recreational pier constructed on state lands." The law provides for two exceptions to the imposition of rent. Those exceptions are for:
 - A. A lease in effect on July 1, 2011 through the remaining term of that lease. If a lease in effect on July 1, 2011 expires or is otherwise terminated, any new lease will be subject to rent; and
 - B. A lease for which the lease application and application fees were submitted to the Commission prior to March 31, 2011.

The proposed lease does not meet either of the statutory exceptions and is thus subject to rent.

4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Cal. Code Regs., tit. 14, § 15061), the staff has determined that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
