### **GENERAL LEASE – RECREATIONAL USE**

#### APPLICANTS:

Robert Lewis Van Blois and Vickie Gayle Van Blois, as Trustees and any Successor Trustee of the Van Blois Family Trust dated May 22, 2001

### AREA, LAND TYPE, AND LOCATION:

Sovereign land in Lake Tahoe, adjacent to 644 Olympic Drive, Tahoe City, Placer County

### AUTHORIZED USE:

Continued use and maintenance of two existing mooring buoys.

### LEASE TERM:

10 years, beginning May 24, 2012.

#### **CONSIDERATION:**

\$680 per year, with the State reserving the right to fix a different rent periodically during the lease term, as provided in the lease.

### SPECIFIC LEASE PROVISIONS:

Insurance:

Liability insurance in the amount of no less than \$1,000,000.

Other:

The proposed lease contains a provision requiring the Applicants to obtain authorization from the Tahoe Regional Planning Agency (TRPA) for the mooring buoys within two years after the adoption of a Final Environmental Impact Statement (FEIS) for the Lake Tahoe Shorezone Ordinance Amendments and approval of the amended ordinances. This is a continuation of the process the Commission used from approximately 1995 to October 2008 when TRPA adopted an FEIS and Ordinance Amendments supported by the FEIS. In September 2010, the U.S. District Court invalidated the FEIS and nullified the Amendments. When additional information is available, Commission staff will advise the Commission on any suggested modifications to the process used by the

Commission pending resolution of the TRPA FEIS and amended ordinance issues.

### **OTHER PERTINENT INFORMATION:**

- 1. Applicants own the upland adjoining the lease premises.
- 2. On April 24, 2001, the Commission authorized a Recreational Pier Lease with R. Lewis Van Blois and Vickie Van Blois. That lease expired on January 31, 2011. On November 15, 2004, ownership of the upland parcel was transferred to Robert Lewis Van Blois and Vickie Gayle Van Blois, as Trustees and any Successor Trust of the Van Blois Family Trust dated May 22, 2001. Applicants are now applying for a new General Lease – Recreational Use.
- 3. On October 8, 2011, Chapter 585, Statutes of 2011 became law. The law is effective January 1, 2012. This new law repeals section 6503.5 of the Public Resources Code, which had allowed rent-free use of State-owned land by certain private parties for their recreational piers. It replaced the former section with a new section 6503.5 which provides that the State Lands Commission "shall charge rent for a private recreational pier constructed on state lands." The law provides for two exceptions to the imposition of rent. Those exceptions are for:
  - A.. A lease in effect on July 1, 2011 through the remaining term of that lease. If a lease in effect on July 1, 2011 expires or is otherwise terminated, any new lease will be subject to rent; and
  - B.. A lease for which the lease application and application fees were submitted to the Commission prior to March 31, 2011.

Because the application and application fees were not submitted to the Commission prior to March 31, 2011, the lease does not meet the statutory requirements for an exception to recently enacted changes to Section 6503.5 of the Public Resources Code.

4. The buoys are located within an existing buoy field belonging to the Tahoe Sierra Estates Homeowners Association (HOA). The lakefront owners are not members of the HOA, however, they have been allocated locations for their personal buoys within the HOA buoy field. Because of the shallow shelf at this location in the lake, the buoy field is located farther out to provide for safe navigation.
