**AREA, LAND TYPE, AND LOCATION:**

Sovereign land in Lake Tahoe, adjacent to 8781 Rubicon Drive, Rubicon Bay, El Dorado County.

**AUTHORIZED USE:**

Continued use and maintenance of two existing mooring buoys.

**LEASE TERM:**

10 years, beginning October 19, 2012.

**CONSIDERATION:**

\$754 per year, with the State reserving the right to fix a different rent periodically during the lease term as provided in the lease.

**SPECIFIC LEASE PROVISIONS:**

Insurance:

Liability insurance in the amount of no less than \$1,000,000.

Other:

The proposed lease contains a provision requiring the Applicants to obtain authorization from the Tahoe Regional Planning Agency (TRPA) for the mooring buoys within two years of the adoption of a Final Environmental Impact Statement (FEIS) for the Lake Tahoe Shorezone Ordinance Amendments and approval of the amended ordinances. This is a continuation of the process the Commission used from approximately 1995 to October 2008 when TRPA adopted an FEIS and Ordinance Amendments supported by the FEIS. In September 2010, the U.S. District Court invalidated the FEIS and nullified the Amendments. When additional information is available, Commission staff will advise the Commission on any suggested modifications to the process used by the Commission pending resolution of the TRPA FEIS and ordinance issues.

**OTHER PERTINENT INFORMATION:**

1. Applicants own the upland parcel adjoining the lease premises.

2. On September 19, 2000, the Commission authorized a Recreational Pier Lease with Douglas P. Ley and Linda M. Gaudiani for two existing mooring buoys. That lease expired on May 31, 2010. Applicants are now applying for a new General Lease - Recreational Use. The Applicants' two mooring buoys are included within the Rubicon Tahoe Owners' Association buoy field grid pattern.
  
3. On October 8, 2011, Chapter 585, Statutes of 2011 became law. The law took effect on January 1, 2012. This new law repeals section 6503.5 of the Public Resources Code, which had allowed rent-free use of State-owned land by certain private parties for their recreational piers. It replaced the former section with a new section 6503.5 which provides that the State Lands Commission "shall charge rent for a private recreational pier constructed on state lands." The law provides for two exceptions to the imposition of rent. Those exceptions are for:
  - A. A lease in effect on July 1, 2011, through the remaining term of that lease. If a lease in effect on July 1, 2011, expires or is otherwise terminated, any new lease will be subject to rent; and
  - B. A lease for which the lease application and application fees were submitted to the Commission prior to March 31, 2011.

The Applicants do not qualify for an exception and the lease is subject to rent because the application was received after March 31, 2011.

4. The staff recommends that the Commission find that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
