Environmental Impact Statement (FEIS) for the Lake Tahoe Shorezone Ordinance Amendments and approval of the amended ordinances. This is a continuation of the process the Commission used from approximately 1995 to October 2008 when TRPA adopted an FEIS and Ordinance Amendments supported by the FEIS. In September 2010, the U.S. District Court invalidated the FEIS and nullified the Amendments. When additional information is available, Commission staff will advise the Commission on any suggested modifications to the process used by the Commission pending resolution of the TRPA FEIS and amended ordinance issues.

### **OTHER PERTINENT INFORMATION:**

1. Applicants own the upland, Assessor's Parcel Numbers (APN) 097-182-007 and 097-182-008, adjoining the lease premises.
2. On October 29, 2010, the Commission authorized a General Lease – Recreational Use with Hawkins Insulation Company, Inc.; Lyon Investments, LP; Michael P. Lyon; Laura Lyon; and Karine S. Lyon for an existing joint-use pier, boat lift, and two mooring buoys. That lease will expire on December 31, 2020. On March 29, 2012, full ownership of APN 097-182-007 was transferred to Lyon Investments, LP, A California Limited Partnership. Applicants are now applying for a new General Lease – Recreational Use, which will include two additional existing mooring buoys. Lessees have requested termination of the existing lease.
3. The two additional mooring buoys have been in Lake Tahoe for many years, but have not been previously authorized by the Commission. Staff recommends bringing the placement of the Applicants existing mooring buoys under lease, subject to the Applicants obtaining TRPA permit authorization.
4. **Termination of Lease:** The staff recommends that the Commission find that the subject termination of lease does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

5. **Issuance of Lease:** The staff recommends that the Commission find that this activity is exempt from the requirements of CEQA as a categorically

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

6. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.

**CEQA FINDING:**
