CALENDAR ITEM NO. **C12** (CONT'D)

**OTHER PERTINENT INFORMATION:**

1. Applicants own the upland adjoining the lease premises.
2. On April 7, 2003, the Commission authorized a 10-year Recreational Pier Lease to Dorothy E. Ray Survivor's Trust and Hubert Carlisle Ray Bypass Trust. The lease will expire on June 28, 2013. On May 11, 2012, the upland property was transferred to Paul Scott and Andrea Scott. The Applicants are now applying for a General Lease – Recreational and Protective Structure Use. Because staff was unable to locate the Lessees for execution of a quitclaim deed, staff recommends termination of the existing lease.

The bank protection has existed on site but was not previously authorized by the Commission. Staff recommends bringing the bank protection under lease.

3. The bank protection will mutually benefit both the public and the Applicants. The bank of the Sacramento River will have additional protection from wave action provided at no cost to the public.
4. **Termination of Lease:** The staff recommends that the Commission find that the subject lease termination does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

5. **Issuance of Lease:** The staff recommends that the Commission find that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

6. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and

through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.

**RECOMMENDED ACTION:**

It is recommended that the Commission:

**CEQA FINDING:**

**Termination of Lease:** Find that the subject lease termination is not subject to the requirements of CEQA pursuant to California Code of Regulations, Title 14, section 15060, subdivision (c)(3), because the subject activity is not a project as defined by Public Resources Code section 21065 and California Code of Regulations, Title 14, section 15378.

**Issuance of Lease:** Find that the activity is exempt from the requirements of CEQA pursuant to California Code of Regulations, Title 14, section 15061 as a categorically exempt project, Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

**SIGNIFICANT LANDS INVENTORY FINDING:**

Find that this activity is consistent with the use classification designated by the Commission for the land pursuant to Public Resources Code section 6370 et seq.

**AUTHORIZATION:**

1. Authorize termination, effective May 10, 2012, of Lease No. PRC 4784.9, a Recreational Pier Lease issued to Dorothy E. Ray Survivor's Trust and Hubert Carlisle Ray Bypass Trust.

Authorize issuance of a General Lease – Recreational and Protective Structure Use to Paul Scott and Andrea Scott beginning May 11, 2012, for a term of 10 years, for the continued use and maintenance of an existing fishing pier with wood enclosure and walkway previously authorized by the Commission, and use and maintenance of existing bank protection not previously authorized by the Commission as described in Exhibit A and shown on Exhibit B (for reference purposes only) attached and by this reference made a part hereof; annual rent in the amount of \$50, with the State reserving the right to fix a different rent periodically during the lease term, as provided in the lease; consideration for the bank protection: the public use and benefit, with the State reserving the right at any time to set
