a continuation of the process the Commission used from approximately 1995 to October 2008 when TRPA adopted a FEIS and Ordinance Amendments supported by the FEIS. In September 2010, the US District Court invalidated the FEIS and nullified the ordinances. TRPA is presently evaluating its response. At such time as additional information is available, Commission staff will advise the Commission on any suggested modifications to the process used by the Commission pending resolution of the TRPA EIS and ordinance issues.

OTHER PERTINENT INFORMATION:

1. Applicants own the upland adjoining the lease premises.
2. On February 9, 2006, the Commission authorized a 10-year Recreational Pier Lease with William O. Adams and Janice L. Adams, Trustees of the William O. and Janice L. Adams Family Revocable Trust, established May 16, 1986. That lease will expire on February 8, 2016. On December 7, 2012, the upland parcel was deeded to David M. Adams and Courtney Adams, Co-Trustees of the David Adams Revocable Trust; and Michael W. Adams and Sue E. Adams, Co-Trustees of the Michael W. and Sue E. Adams Revocable Trust of 2002. The Applicants are now applying for a General Lease – Recreational Use. The Lessees have executed a quitclaim deed releasing their interest in the lease to the State. Staff is recommending acceptance of the quitclaim deed and issuance of a new lease.
3. **Acceptance of a Quitclaim Deed:** The staff recommends that the Commission find that the subject acceptance of a quitclaim deed does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

4. **Issuance of New Lease:** The staff recommends that the Commission find that this activity is exempt from the requirements of CEQA as a categorically exempt project. For the existing facilities, the project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).
