**LEASE TERM:**

10 years, beginning December 1, 2013.

**CONSIDERATION:**

**SPECIFIC LEASE PROVISIONS:**

Liability insurance in an amount no less than \$1,000,000 per occurrence.

Other:

1. The proposed lease contains a provision requiring the Applicants to obtain authorization from the Tahoe Regional Planning Agency (TRPA) for the mooring buoys within two years after the adoption of a Final Environmental Impact Statement (FEIS) for the Lake Tahoe Shorezone Ordinance Amendments and approval of the amended ordinances. This is a continuation of the process the Commission used from approximately 1995 to October 2008 when TRPA adopted an FEIS and Ordinance Amendments supported by the FEIS. In September 2010, the U.S. District Court invalidated the FEIS and nullified the Amendments. When additional information is

available, Commission staff will advise the Commission on any suggested modifications to the process used by the Commission pending resolution of the TRPA FEIS and amended ordinance issues.

2. Lessee expressly acknowledges and agrees that issuance of a Lease does not substitute for, or provide preference in, obtaining authorizations from the TRPA or any other regulatory agency for the improvements authorized by the Commission.

**OTHER PERTINENT INFORMATION:**

1. Applicants own the upland parcel, Assessor's Parcel Number (APN) 090-282-031, and Paula Turteltaub, Trustee of the Paula Turteltaub 2001 Revocable Trust Agreement dated June 13, 2001, owns APN 090-282-030, adjoining the lease premises.
2. On August 17, 2004, the Commission authorized a General Lease – Recreational Use with A. Nathaniel Goldhaber and Marilyn K. Goldhaber; and Paula Turteltaub, Trustee u/t/a dtd. June 13, 2001. That lease expired on November 30, 2011. On January 4, 2008, the ownership of APN 090-282-031, held by A. Nathaniel Goldhaber and Marilyn K. Goldhaber, was transferred to A. Nathaniel Goldhaber and Marilyn K. Goldhaber, Co-Trustees of the Goldhaber Revocable Trust u/a/d/ 11/11/2005.
3. On November 22, 1995, A. Nathaniel and Marilyn Goldhaber and Paula Turteltaub entered into a Multiple Use Pier Agreement, Declaration of Restrictive Covenants, and License Agreement (Agreement). The Agreement authorized the Goldhabers the right to terminate the agreement if Paula Turteltaub failed to comply with the terms. Paula Turteltaub was found to be in breach of the agreement and the Goldhabers filed a Revocation of License with Placer County, which was recorded on June 7, 2013, removing Paula Turteltaub from the Multiple Use Pier Agreement, Declaration of Restrictive Covenants, and License Agreement. The Applicants are now applying for a General Lease – Recreational Use.
4. On December 2, 2013, the Commission authorized a General Lease – Recreational Use with the Applicants. In addition, the Commission

CALENDAR ITEM NO. 64 (CONT'D)

authorized acceptance of additional hold-over rent in the amount of \$101 for the period from December 1, 2011, through November 30, 2013.

5. At the time of processing the lease application, it was staff's understanding, based on representations made by the Applicant's agent, that the Applicants agreed with the terms of the new lease. However, after the Commission's approval of the lease, staff became aware that the Applicants objected to the provision regarding restoration of the lease premises in Section 3, Paragraph 13. The Applicants have advised they will not execute the lease documents because of concerns with the "restoration of lease premises" terms in the lease. The Applicants have requested that the Commission reconsider their lease application so that the Applicants had the opportunity to present their concerns to the Commission.
6. In addition, the annual rent calculated in the prior authorization was based on a ten-foot impact area. Staff has recalculated the annual rent based on a nine-foot impact area in locations around the pier used for the mooring and docking of boats.
7. Staff is recommending that the authorization made by the Commission at its December 2, 2013, meeting be rescinded and that a General Lease – Recreational Use be issued with an annual rent in the amount of \$3,104, based on the updated nine-foot impact area.
8. **Rescind Approval of Lease:** The staff recommends that the Commission find that the subject lease rescission does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

9. **Issuance of a Lease:** The Staff recommends that the Commission find that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).
