Premises. The lease shall terminate if the Association's consent lapses or is revoked.

OTHER PERTINENT INFORMATION:

1. Applicant has the right to use the upland adjoining the lease premises, which is owned by the Association (APN 092-190-010). The right granted to the Applicant by the Association is limited to the use and maintenance of the Applicant's pier, boathouse, and boat lifts.
2. On April 6, 2011, the Commission authorized a General Lease – Recreational Use with RC Horizon, LLC (Lessee). That lease will expire on May 2, 2020. On June 25, 2013, the upland parcel was deeded to W. Group Holding IV, LLC. The Applicant is now applying for a General Lease – Recreational Use. The Lessee executed a quitclaim deed releasing its interest in the lease to the State. Staff is recommending acceptance of the quitclaim deed and issuance of a new lease.
3. The proposed project covers the removal of an existing catwalk, ladder, and boat hoist located on the north side of the pier; expansion of a portion of the pier; and installation of a boat lift. The catwalk is approximately three feet by 25 feet. The portion of the pier decking to be extended will cover over the area (at the level of the existing pier deck) where the catwalk is currently located. The proposed project will not change the footprint of the existing pier. The entire proposed project will be constructed from the lake via barge.
4. **Acceptance of a Quitclaim:** The staff recommends that the Commission find that the subject acceptance of a quitclaim does not have a potential for resulting in either a direct or a reasonably foreseeable indirect physical change in the environment, and is, therefore, not a project in accordance with the California Environmental Quality Act (CEQA).

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, sections 15060, subdivision (c)(3), and 15378.

5. **Pier Reconstruction and Boat Lift Replacement:** The staff recommends that the Commission find that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 2, Replacement or Reconstruction; California Code of Regulations, Title 14, section 15302.

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300.

6. **Issuance of a Lease:** The staff recommends that the Commission find that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

7. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
