**RECORD OF ACTION TAKEN BY THE  
CALIFORNIA STATE LANDS COMMISSION  
MEETING OF FEBRUARY 20, 2015**

Chair Gavin Newsom called the meeting of the California State Lands Commission to order at 10:00 A.M. at the State Capitol, Room 447, Sacramento, California 95814; also present were Commissioner Betty T. Yee and Commissioner Alternate Eraina Ortega.

*(The State Lands Commission adjourned into closed session from 10:04 A.M. to 10:13 A.M., then resumed open session at 10:15 A.M.)*

The Minutes of the December 17, 2014 Meeting were approved by a vote of 2-0 (Newsom-Yes; Ortega-Yes; Yee-Abstained).

**EXECUTIVE OFFICER'S REPORT**

Executive Officer Jennifer Lucchesi updated the Commission on the following items:

- Chapter 922, Statutes of 2014, Senate Bill 982 (Hill), directed the State Lands Commission to enter into negotiations with the owners of the Martins Beach property in San Mateo County to acquire right-of-way or easement for public access to the Pacific Ocean at this location. A letter was sent to the property owner on December 31, 2014 to begin negotiations. A response was received January 30, 2015 that included an offer to meet. The Executive Officer will meet with the property owner on February 26, 2015, and will report the progress of negotiations at the next meeting.
- “The Analysis of Impacts to Public Trust Resources and Values,” the environmental document staff prepared for the Broad Beach Restoration Project, was recently recognized by the Association of Environmental Professionals (AEP), for their 2015 Outstanding Environmental Analysis Award.
- The Executive Office has been invited to make a presentation at the 15<sup>th</sup> Annual California Maritime Leadership Symposium Commissioners Luncheon on February 24<sup>th</sup> in Sacramento. Controller Yee will also be giving a keynote address.
- Commission staff is working on a number of rule-making efforts, including:
  - The Marine Facilities Division has a number of rule-making packages making its way through the process to update the Commission’s Marine Oil Terminal Engineering and Maintenance Standards (MOTEMS) regulations, as well as the Commission’s Marine Invasive Species Program;
  - The Mineral Resources Management Division is moving forward with a comprehensive update of the Commission’s regulations relating to existing state oil and gas leases.

## RECORD OF ACTION CONTINUED

- Commission staff is also pursuing regulations to better enhance the Commission's geophysical permit program in order to make the program requirements more transparent.
- The Land Management Division is working on regulations to implement the Commission's responsibilities under Public Resources Code 6224.3 with regard to trespass and the imposition of administrative penalties. These regulations will provide administrative hearings to address trespassing structures on state lands.

Once all these regulations make their way through the Office of Administrative Law and go through the public comment process, they will be presented to the Commission for approval.

- Commission staff continues its enforcement and compliance efforts. Staff has been working diligently to educate the public and bring unauthorized structures under lease. A small team of staff have been targeting a few pocket areas of trespassing facilities in the Garden Highway area in Sacramento County and Steamboat Slough in Solano County. Along the Garden Highway, 13 property owners were contacted and we now have 12 of those under lease. On Steamboat Slough, 19 property owners were contacted, which resulted in 16 applications with expectations of receiving the final three in the near future.
- The Executive Officer announced the promotion of Colin Connor, former Assistant Chief of the Land Management Division, to Chief of the Commission's Administrative Services Division.
