GENERAL LEASE – RECREATIONAL USE

APPLICANT:

Ross W. Relles Jr. and Lynne K. Relles

PROPOSED LEASE:

AREA, LAND TYPE, AND LOCATION:

Sovereign land in Lake Tahoe, adjacent to 3205 and 3225 West Lake Boulevard, near Homewood, Placer County.

AUTHORIZED USE:

Continued use and maintenance of four existing mooring buoys.

LEASE TERM:

10 years, beginning August 1, 2016.

CONSIDERATION:

\$1,508 per year, with an annual Consumer Price Index adjustment.

SPECIFIC LEASE PROVISIONS:

Liability insurance in an amount no less than \$1,000,000 per occurrence.

If Lessee does not have valid Tahoe Regional Planning Agency (TRPA) buoy permits, Lessee is required to obtain such authorization for the mooring buoys within 2 years after the adoption of a Final Environmental Impact Statement (FEIS) for the Lake Tahoe Shorezone Ordinance Amendments and approval of the amended ordinances. If Lessee is unable to obtain such authorization within the time limit, they may be required to remove the buoys.

Lessee expressly acknowledges and agrees that issuance of a lease does not substitute for, or provide preference in, obtaining authorizations from TRPA or any other regulatory agency for the improvements authorized by the Commission.

STAFF ANALYSIS AND RECOMMENDATION:

Authority:

Public Resources Code sections 6005, 6216, 6301, and 6503.5; California Code of Regulations, title 2, section 2000, subdivision (b).

Public Trust and State's Best Interests Analysis:

On August 24, 2006, the Commission authorized a General Lease – Recreational Use to Ross W. Relles Jr. and Lynne K. Relles ([Calendar Item 15, August 24, 2006](#)). That lease expired on July 31, 2016. The Applicant is now applying for a General Lease – Recreational Use for the continued use and maintenance of two existing mooring buoys adjacent to Assessor's Parcel Number (APN) 085-260-039 and two buoys adjacent to APN 085-260-032. The Applicant owns these two contiguous lakefront parcels adjoining the lease premises. The four buoys are privately owned and maintained.

The four buoys are for the mooring of boats. Recreational boating is a water-dependent use that is generally consistent with the common law Public Trust Doctrine. The California Legislature has identified private recreational boating facilities as an authorized use of Public Trust land (Pub. Resources Code, § 6503.5).

The four buoys have existed for many years at this location. The subject facilities do not significantly alter the land and the lease does not alienate the State's fee simple interest or permanently impair public rights. Upon termination of the lease, the lessee may be required to remove all improvements and restore the lease premises to their original condition. Additionally, the four buoys occupy a relatively small area of the lake. Based on the foregoing, Commission staff believes that the four mooring buoys will not substantially interfere with Public Trust needs at this location, at this time, or for the foreseeable term of the proposed lease.

The proposed lease requires the lessee to insure the lease premises and indemnify the State for any liability incurred as a result of the lessee's activities thereon. The lease also requires the payment of annual rent to compensate the people of the State for the occupation of the public land involved. For all the reasons above, Commission staff believes the issuance of this lease is consistent with the common law Public Trust Doctrine and in the best interests of the State.

OTHER PERTINENT INFORMATION:

1. This action is consistent with Strategy 1.1 of the Commission's Strategic Plan to deliver the highest levels of public health and safety in the protection, preservation, and responsible economic use of the lands and resources under the Commission's jurisdiction.
2. Staff recommends that the Commission find that this activity is exempt from the requirements of the California Environmental Quality Act (CEQA) as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, title 14, section 15300 and California Code of Regulations, title 2, section 2905.

3. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon staff's consultation with the persons nominating such lands and through the CEQA review process, it is staff's opinion that the project, as proposed, is consistent with its use classification.

- B. Site and Location Map

RECOMMENDED ACTION:

It is recommended that the Commission:

CEQA FINDING:

Find that the activity is exempt from the requirements of CEQA pursuant to California Code of Regulations, title 14, section 15061 as a categorically exempt project, Class 1, Existing Facilities; California Code of Regulations, title 2, section 2905, subdivision (a)(2).

PUBLIC TRUST AND STATE'S BEST INTERESTS:

Find that the proposed lease will not substantially impair the public rights to navigation and fishing or substantially interfere with the Public Trust needs and values at this location, is consistent with the common law Public Trust Doctrine, and is in the best interests of the State.

CALENDAR ITEM NO. **C05** (CONT'D)

SIGNIFICANT LANDS INVENTORY FINDING:

Find that this activity is consistent with the use classification designated by the Commission for the land pursuant to Public Resources Code section 6370 et seq.

AUTHORIZATION:

Authorize issuance of a General Lease – Recreational Use to Ross W. Relles Jr. and Lynne K. Relles, beginning August 1, 2016, for a term of 10 years, for the continued use and maintenance of four existing mooring buoys, as described in Exhibit A and shown on Exhibit B (for reference purposes only) attached and by this reference made a part hereof; annual rent in the amount of \$1,508, with an annual Consumer Price Index adjustment; and liability insurance in an amount no less than \$1,000,000 per occurrence.
