1 October 15th construction window on Napa River projects to
2 protect Steelhead and Trout spawning.

3 Even with the proposed extension to that window,
4 Commission action in October, which is when we are next
5 contemplating meeting, would be too late to allow projects
6 to be completed this year. The projects involve dredging
7 a marina and at the ferry terminal in Vallejo. Operations
8 at both facilities could be hampered if the projects can't
9 be completed before next August.

10 Closing the ferry terminal, if the project wasn't
11 completed, and that's a possible result, would halt the
12 mass transit provided by the ferry to San Francisco.

13 Because of this urgency, Vallejo requested a
14 special meeting of the Commission.

15 Staff notes that these meetings are difficult to
16 arrange at the last minute because of prior commitments by
17 the Commissioners, and we certainly appreciate the
18 assistance of the Commissioners' offices in arranging for
19 this meeting. And, of course, it's in keeping with the
20 Commission's policy of expediting Commission matters.

21 The Lieutenant Governor and the Controller have
22 made it their practice to personally attend State Lands
23 Commission meetings. Because of the late notice for this
24 meeting and the apparently routine nature of the items,
25 they are represented as authorized by Section 7.6 of the

1 Government Code.

2 And, of course, representing the Lieutenant
3 Governor today is Ms. Lorena Gonzalez, and for the
4 Controller Ms. Cindy Aronberg. I would note for the
5 record that these individuals are the liaisons for their
6 respective Commissioners with staff and they are well
7 versed in Commission matters and policy. We have letters
8 on file designating them to represent their Commissioners
9 at meetings. I should also note that David Takashima
10 who's with us today is participating for the Director of
11 Finance, and that he is also experienced in Commission
12 matters, based on his prior attendance at meetings and
13 participation in Commission affairs.

14 Section 7.6 of the Government Code also provides
15 that when both Constitutional officers are represented
16 only one can vote at a meeting. I understand that
17 Commissioner Gonzalez will serve in the non-voting
18 capacity, although she will act as chair.

19 Finally, I would like to note that we reviewed
20 other pending applications and found that an applicant for
21 a non-controversial recreational pier is also facing a
22 construction window and so we added that to the calendar
23 for today's meeting as well. We have no known opposition
24 to all three projects and so they've been placed on the
25 consent calendar. I'd be happy to answer any questions.

1 ACTING COMMISSIONER ARONBERG: No questions over
2 here.

3 ACTING CHAIRPERSON GONZALEZ: No questions.

4 ACTING COMMISSIONER TAKASHIMA: Likewise.

5 ACTING CHAIRPERSON GONZALEZ: That did move us
6 along?

7 EXECUTIVE OFFICER THAYER: Yes, it does.

8 ACTING CHAIRPERSON GONZALEZ: The first up on the
9 agenda will be the adoption of the minutes from the
10 Commission's last meeting. May I have a motion to approve
11 the minutes.

12 ACTING COMMISSIONER TAKASHIMA: I make the motion
13 to approve.

14 ACTING COMMISSIONER ARONBERG: Second.

15 ACTING CHAIRPERSON GONZALEZ: And a vote.

16 (Ayes.)

17 ACTING CHAIRPERSON GONZALEZ: The next order of
18 business is the consent calendar. These items will be
19 taken up and voted on as a single action. Is there anyone
20 who wishes to be heard on these items? Is there anybody
21 there with you?

22 ACTING COMMISSIONER ARONBERG: Alan Hager is
23 here. There is nobody here for any of the three matters.

24 ACTING CHAIRPERSON GONZALEZ: He doesn't want to
25 object.

1 ACTING COMMISSIONER ARONBERG: I assure you he
2 doesn't want to stop the ferry from going to San
3 Francisco.

4 (Laughter.)

5 ACTING CHAIRPERSON GONZALEZ: Okay. I assume
6 that there's nobody in any of the other offices.

7 ACTING COMMISSIONER TAKASHIMA: Right. There's
8 no one else here at my end.

9 ACTING CHAIRPERSON GONZALEZ: Okay, great.
10 Hearing no objection, do I hear a motion to approve the
11 items?

12 ACTING COMMISSIONER ARONBERG: Move.

13 ACTING COMMISSIONER TAKASHIMA: I second it.

14 ACTING CHAIRPERSON GONZALEZ: Vote please.

15 (Ayes.)

16 ACTING CHAIRPERSON GONZALEZ: Wonderful. Note
17 that the consent calendar is adopted. I guess it's not
18 unanimous. Note it's 2 to 0.

19 Is there anyone present at the location that
20 wishes to address the Commission during the public comment
21 period? I believe I have already stated that there is
22 nobody there.

23 ACTING COMMISSIONER ARONBERG: Alan said that it
24 is unanimous.

25 ACTING CHAIRPERSON GONZALEZ: Okay, then it is

1 unanimous.

2 CHIEF COUNSEL RUMP: For the two voting members.

3 ACTING CHAIRPERSON GONZALEZ: For the two voting
4 members. Yes, of course. I don't want to deconstruct the
5 English language. It is unanimous.

6 I will again assume that there is nobody that
7 showed up at any office and there's no public comment.

8 Are there any other matters to come before the
9 Commission that need to be addressed today?

10 EXECUTIVE OFFICER THAYER: There are none. I
11 would just note that we're on pretty close agreement at
12 this point for October 20th at 1:00 o'clock in San Diego
13 for our next meeting, and we're just waiting on the final
14 word. I guess Commissioner Gonzalez, you had indicated
15 that that was okay with the Lieutenant Governor but we
16 haven't heard back from the scheduler yet.

17 ACTING CHAIRPERSON GONZALEZ: No, you can. I
18 have talked to her about it, and it is fine.

19 EXECUTIVE OFFICER THAYER: All right. Well, then
20 we're planning for that meeting then at 1:00 o'clock in
21 San Diego.

22 ACTING CHAIRPERSON GONZALEZ: We're adjourned
23 then.

24 EXECUTIVE OFFICER THAYER: Thank you very much.
